Gross weight
11 kg

Product data sheet

Product category	Dehumidifiers
Brand	Qlima
Model	D 610
Colour	White
EAN code	8713508776040

Technical specifications

Dehumidifying capacity ¹	l/24 h	10
Power consumption ¹	W	210
Power supply	V/Hz/Ph	220 - 240~ / 50/60 / 1
Current	A	0,8
Airflow	m ³ /h	80
For rooms up to ²	m ³	40 - 65
Tank capacity	l	1.8
Operating range ²	°C	35
Included filters	type	active carbon / HAF
Sound pressure level	dB	34
Fan speeds	positions	2
Control		electronic
Auto restart		No
Refrigerant type / charge	R/g	R290 / 55
Dimensions (w x d x h)	mm	290 x 194 x 478
Net. weight	kg	10,0
Compressor type	type	rotary
Protection class	IPxx	IP24
Guarantee	years	2

¹ Moisture removal at 30°C. 80% RH

² For indication only.

Features

Very stylish exclusive Qlima Design: This dehumidifier is part of an exclusive range of Qlima design dehumidifiers. The glossy white colour together with the colourfull blue indication ring presents this model as a revelation in high end aesthetics on household dehumidifiers.

Extremely quiet: In HIGH fan mode: the sound produced by this dehumidifier is so low you will hardly hear it, when using it in a normal living room. The sound produced is whispering quiet. This dehumidifier surely is one of the most silent dehumidifiers available in the market today.

Swing function air outlet : The air outlet is positioned on the upper part which is equipped with a movable flap (up / down). In this way, the air spreads evenly and is particularly useful for drying laundry. The function 'Swing' can also be deactivated.

Hygostat: The humidity can be regulated via an adjustable hygostat.

Hygrometer: The unit is equipped with a hygrometer which indicates the relative humidity in the room.

Large size, removable water tank: For ease of use for the end-user this dehumidifier has a extremely large capacity of watertank. With this giant size of water tank the frequency of having to empty the tank is significantly reduced.

Water container cover: To prevent the unwished splashing of water by the end-user while taking out the container and transporting the container to the drain: the water container is equipped with a cover.

Automatic switch off: When the water container is full, a LED light will light up. The dehumidifier will automatically switch off.

Power cord storage: The dehumidifier is provided with an easy to use power cord storage possibility.

24 hour timer: The unit is equipped with a timer function which can switch off the unit after 1-24 hours.

Convenience easy to move: The unit is equipped with top handle at the top back of the unit. For even more ease of use this dehumidifier is equipped with castors (wheels).

Compressor: The dehumidifier has a silent rotary compressor.

Full colour box: The unit is delivered completely with auxiliary parts in a full coloured box showing applications and operation information in several languages.

Economical: This dehumidifier is a dehumidifier and nothing more. Simple and effective. When switched on the dehumidifier will try to dehumidify to an extent as much as the physical conditions of the air allows it to.
